

CANADIAN CUSTOMS BROKERAGE

STREAMLINE THE FLOW OF YOUR CANADIAN IMPORTS

Whether you're a large or small importer, staying on top of Canada's multi-faceted trade regulations can be a challenge, even for the experienced. In fact, until recently it often required using various customs brokers to successfully bring goods into each country.

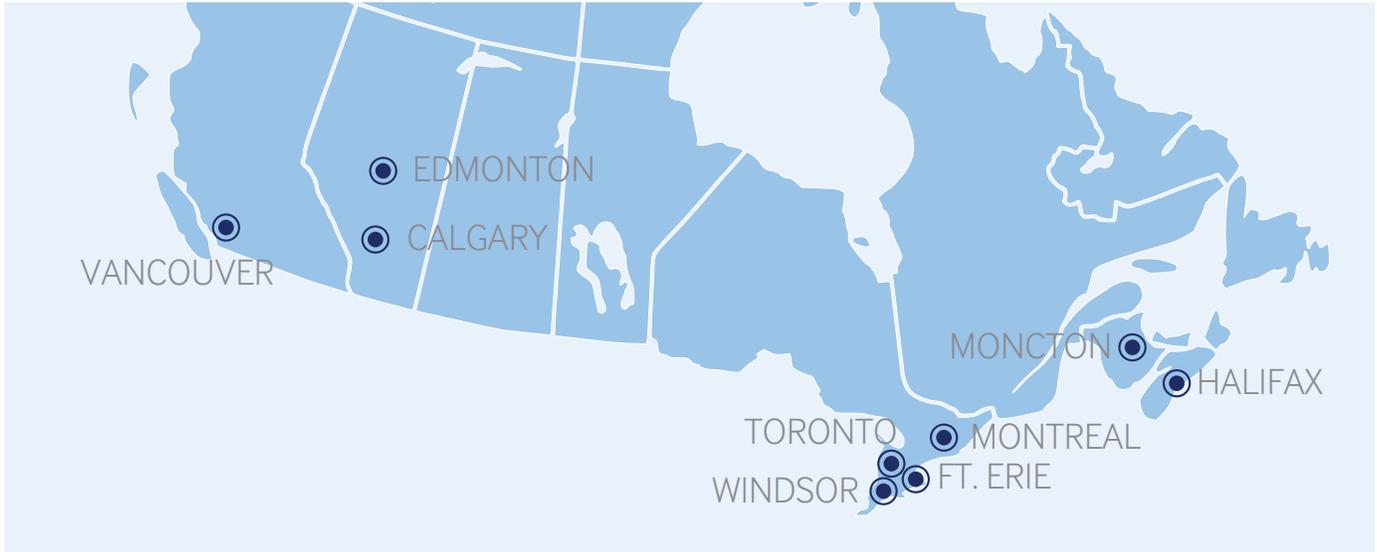

SERVICE HIGHLIGHTS

Introducing Canadian Customs Brokerage Services from Carmichael International Service, offered in partnership with Kintetsu World Express (KWE), owner of our parent company, APL Logistics. Under KWE, Carmichael can now offer an extensive array of customs brokerage services across Canada. Customers can experience a single-source solution designed to improve and enhance compliance with all of Canada's cargo security initiatives, customs processes and administrative requirements.

KWE's extensive in-country customs brokerage network offers everything your company needs to get goods into Canada and off to market efficiently and promptly, including:

- Nation-wide clearance capabilities through a network of dedicated offices at sea, air and land ports of entry
- 24-hour, six-day-a-week cross-border coverage
- Canadian Border Service Agency (CBSA)-licensed brokers
- Direct electronic customs entries vis CBSA's ACCROSS system
- Stringent procedures to better facilitate customs entry
- Meticulously researched tariffs
- Advancement of duty and freight
- Complete customized reporting
- Non-Resident Importer (NRI) expertise

Just as important, it provides your company with the opportunity to work with one trusted partner for all of its U.S. and Canadian customs brokerage needs. Adding further value, this expanded service offering can be used in conjunction with any of Carmichael's market-leading U.S. solutions.

Leveraging the Canadian footprint of KWE, Carmichael now offers services across Canada.

BENEFITS TO YOUR BUSINESS

When you use Carmichael and KWE, you're tapping into the expertise of two of the industry's largest and most experienced U.S./Canada entry filers. We pride ourselves on consistently helping companies fulfill everything from the latest letter of the law to the most exacting of tariff requirements, all while delivering numerous advantages such as:

- **Fewer delays and penalties** – The ability to accurately classify, declare and pay duties based on painstaking research and Canada's latest rules will help you minimize penalties and delays
- **Improved administration** – A reputation for generating proper – and properly prepared – border crossing documentation, which means you'll avoid hold-ups associated with incomplete or incorrect paperwork
- **Compliance focus** – Trust us to help you anticipate, interpret and all of Canada's regulatory requirements, with the help of our strong process orientation, superior systems and centralized approach to entry processing and account management
- **One-stop convenience and agility** – Choose from a comprehensive range of traditional import solutions that encompass all standard border-crossing requirements. Or let us design a customized program for your company
- **Vertical, industry-specific expertise** – Our specialized experience serving key industries such as automotive, consumer goods, retail and industrials translates into better focused support for you
- **End-to-end supply chain integration** – As part of the APL Logistics family of companies, Carmichael International Service has a command of international logistics and commerce that goes considerably above and beyond what you'd expect of a typical customs broker
